Harry Thaw, No Longer Eclipsed by His Wife With Her Dramatic Story, Again Becomes Central Figure in His Trial for White Murder

Belief Growing Around Court That Jerome Believes Prisoner Insane Now and that Conviction Is Impossible.

LOVE THAT HAS PROMPTED WIFE'S GREAT SACRIFICE.

The Devotion Shown by Harry Thaw for Evelyn Is Equalled by Hers for Him, Declares His Most Intimate Friends.

By Nixola Greeley-Smith.

the centre of the stage For weeks Harry Thaw has sat obscurely silent at the counsel table in Justice Fitzgerald's court while his young wife played the principal role at the trial and the public in its intense interest in herrecalled Harry Thaw merely as the immediate instrument of her being upon the witness-stand. But within the past two days Harry Thaw has forcibly projected himself into his own case by the statement he gave the newspapermen Thursday under such peculiar circumstances. And the problem of whether Evelyn Thaw told a truthful story of great wrong or wove a web of falsehood in which Stanford White and Harry Thaw were both securely netted has been superseded by the newer query, "Will the case ever go to the

This last Thaw is said to regard as worse than death. And the struggle in the brain of one who knows he is being watched at every moment for

Apparently the District-Attorney has become convinced that Thaw is at the present moment unbalanced, or at least realizes the difficulties of securing a conviction. It seems hardly probable that a commission could be

fice in vain. The story she told on the witness-stand need never have been which armed him to slay may have been a blind, unreasoning jealousy. But that he loved the girl who unconsciously inspired his crime is evident in Bonds That Disappeared Nailed by Hands to Sink, every word of the scrawled, ill-spelled exhibits A to I, over which Dr. Evans has been advoitly fencing. His love for her was such that it mad-

air, McIntyre asked Cohen and Green if they would make an amidavit that they received the bonds from Martin.

They refused.

Mointyre then called Green as a witness. Green said he had known Marin for a number of years and had confidence enough in him to accept the bonds as celateral.

Not Unusual, He Sald.

Not Unusual, He Said.

In answer to a query if sie aid ousiness with smale-salared tierks, Green said he did not kink it unusua that a \$15 ceek could deposit \$5,000 worth of bonds. He testified that the first time Martin came to him he brought two Oregon Short-line bonds and made a profitable transaction, reclaiming the bonds.

Green would not admit that it seemed unusual that the insterious Harlen breker wished his name keat seemed of his bushoes to loquire into the owner that it was unusual for a New York Stock Exchange house to do busines in that manner. He said it was none of his bushoes to loquire into the owner met Martin, but knew of the trainer met Martin, but knew of the trainer met Martin, but knew of the trainer met Seturday, after notubing colors, Green & Co. to produce the cluster significant calcium who indorsed the hearing until norder to learn who indorsed the check. Mr. Melutyre said that charges would be preferred to the Stock Exchange.
